

LEAD MOBILE DEVELOPER JOB DESCRIPTION

INFORMATION:

LOCATION: London (SE1) UK

TYPE: Full-Time Position

COMPANY PROFILE:

GAN is a global supplier of industry leading casino content, fast flexible gaming systems and turnkey social gaming. The company was founded in 2002 with the aim of capturing the emerging online skill-games market. Having led the market in backgammon and regional skill games in Italy and Spain, we broadened our product portfolio to offer a full gaming software system as well as becoming a leading developer of online casino games.

GAN Plc is a publicly traded company, listed on the London Stock Exchange in November 2013, giving us a solid foundation from which to exploit the emerging opportunities within both real money and simulated gaming. The company is a global SaaS provider of internet betting solutions for the casino industry. The Company owns and operates GameSTACK™, a proprietary enterprise software system licensed to casino operators. GameSTACK™ is a turnkey technology solution for legal real-money internet casino games, online sports betting and virtual Simulated Gaming.

GAN's flagship clients are market leading casino operations and best-in-class content development houses. GAN's Simulated Gaming social casino partners include WinStar World Casino, Turning Stone Online Casino, Twin River, Maryland Live! Station Casinos, JACK Entertainment Social Gaming, The Lady Luck Interactive, The Borgata Hotel Casino & Spa, San Manuel Indian Bingo and Casino, Empire City Casino, and Parx Casino.

The company has strategically positioned itself in the US as a pioneer in this emerging regulated market. In New Jersey, we have partnered with Betfair to provide a real-money online gaming site since November 2013. We've also launched an Ocean Resort Casino in July 2018.

We have offices in the UK (London), US (California, Nevada, & New Jersey), Israel (Tel Aviv), and Bulgaria (Sofia) and we pride ourselves on the many industry awards we have picked up along the way – latterly for Casino Platform of the Year at the North America EGR awards in San Francisco.

JOB PURPOSE:
